BLACK TUSK REALTY

Rarely does an exceptional private acreage of this size and setting become available. RE-zoned and thoughtfully crafted, it features an authentic custom-built log chalet, in-law suite, beautifully renovated caretaker's cottage, detached garage, chicken coop, versatile pickleball court (or basketball, tennis or hockey), fire pit, woodshed, fruit trees, expansive lawns and 2 acres of exquisitely landscaped gardens. Privately buffered by 465 acres of protected conservation land-the Cheakamus Center (formerly the North Vancouver Outdoor School) and the Cheakamus River. A truly special property where nature, privacy and an extraordinary outdoor lifestyle come together. A must-visit to fully appreciate all that is at your fingertips. Five minutes from Highway 99, 40 minutes to Whistler and an hour to North Vancouver.
